THE HONEY BAR

FROM A DROP TO SPIRIT

From a single drop of nectar to raw honey, then fermented, distilled, mixed and stirred - this is the ultimate destination to witness the full spectrum of honey.

Discover how one pure ingredient can be elevated, poured, and enjoyed.

MĀNOA

HONEY & MEAD

As beekeepers, artists, and mead-makers, we are deeply appreciative of nature's wonders. Through our craft, we seek to express the beauty of the special relationship between plants, bees, and people – the "Golden Triangle".

TOURS & EXPERIENCE

BEES TO MEAD Wahiawā | Fri & Sat **98**

Join our beekeepers on an introductory tour into the world of beekeeping, honey production, and mead tasting. Watch and learn how bees are kept, see how we harvest honey, and how mead is made. The tour ends back at our Wahiawā Honey House with a mead tasting and a light snack board.

MEAD TALK Kaimukī | Coming Soon **50**

Join our "drink & learn" experience where you'll journey through time with mead. Throughout this talk, you'll taste and learn about the meads of the past, dive deep into our modern mead, and we'll share our hope for the future of Hawai'i mead and beyond.
