THE HONEY BAR

FROM A DROP TO SPIRIT

From a single drop of nectar to raw honey, then fermented, distilled, mixed and stirred - this is the ultimate destination to witness the full spectrum of honey. Discover how one pure ingredient can be elevated, poured, and enjoyed.

MĀNOA
HONEY & MEAD

As beekeepers, artists, and mead-makers, we are deeply appreciative of nature's wonders. Through our craft, we seek to express the beauty of the special relationship between plants, bees, and people – the "Golden Triangle".
